Highlights

- CMAA accredited arbitrator and CEDR accredited mediator
- Over 20 years' industry experience in the fields of construction, energy, environment and manufacturing
- Sound experience in dispute avoidance and dispute resolution
- Extensive experience as in-house lawyer in the drafting, negotiation and implementation of commercial contracts under high-stake, complex, long-term international projects

Summary

Guillaume is a dispute avoidance and resolution lawyer with extensive knowledge and experience of major projects and international contracting all acquired in a multi-jurisdictional environment.

Before founding Geißel Federn Partners, Guillaume has worked as in-house counsel for over 20 years for large multinational companies in the aerospace and construction industries.

Guillaume has participated in numerous cross-border transactions involving both contentious and non-contentious works. He has been seconded by THALES in Singapore as regional legal counsel (1999-2003) and by VINCI in Qatar as (acting) general counsel (2007-2013).

He has served as general counsel of the grand projets subsidiary of VINCI from September 2013 until December 2017.
